

SMART BRAINS KENYA

BROOKSHINE SCHOOLS CODING COMPETITION

HTML TEAM

Advanced Level - Judging Criteria

Date: ____/____/____

GRADE 4,5 & 6

Name:	
School	

Criteria	Max Score	Student Score
Use of HTML Elements - Headings, Paragraphs, Images, Lists, Embedded Video, Links, Forms, Input Types, Text Formatting - 5 marks per element used.	50	
Extra Element (Bonus) - Any valid HTML element not taught (e.g. <nav>, <div>, <section>, inline or basic styling, meta, favicon, etc.)	10	
Creativity & Theme Relevance - Originality of idea and alignment with the <i>Superhero + Innovation</i> theme. Unique characters, storyline, or ideas score higher.	10	
Page Structure & Flow - Logical arrangement of content — e.g., intro, story, form, or call-to-action. Good use of sections, clear beginning, middle, and end.	10	
Code Quality & Structure - Clean code, tags correctly opened/closed, proper nesting, no broken elements.	10	
Effort & Originality - Student clearly tried to do more than the minimum. Includes creative flair or functionality beyond the basics.	10	
Total Points	100
